

SPONSORSHIP REQUEST

The National Association of Chinese-Americans – Atlanta (“NACA”) offers various sponsorship opportunities described in detail below. We are honored to have your support and sponsorship so that we can continue our programs and successfully carry out our mission of “bridging cultures, building leaders and benefitting communities.”

About NACA

NACA is a 501(c)(3) nonprofit organization formed in 1980 in Georgia. Since its inception, NACA has worked diligently to promote cultural, educational, scientific and business relationships between the U.S. and China and to encourage Chinese Americans to participate in the American political process while preserving Chinese heritage in the American culture. NACA’s mission includes the following:

Bridging cultures by hosting various delegations between the U.S. and China, and taking on projects that promote business, economic, trade, cultural, and educational exchanges between China and Georgia.

Building leaders by mentoring young professionals and college and high school students.

Benefiting communities by hosting and supporting activities and delivering programs that have positive impacts on our communities at large, including, among other things, donating to other non-profit organizations to support their causes and partnering with and providing scholarship funding to local community colleges and schools.
